Volunteer Job Benefits

FOOD RESCUE SQUAD (Monday – Sunday)

You = Positive Impact

Any help you provide will, in some way, positively impact someone's life, our community and our environment. Here's what others say about our work.

"On behalf of The Salvation Army Hope Centre we fully support and endorse the work of Kaibosh. It's a win, win, win situation – food wastage is limited, our guests and clients are truly thankful with a meal and a charitable organisation is being proactive in giving back to the community."

Ollie Seumanufagai
Manager – The Salvation Army Hope Centre

"Our Foodbank is all about regaining independence. Health and nutrition are a big part of that. Thanks to Kaibosh we are able to include a hearty pack of fresh fruit and vegetables with all our food parcels, plus any dairy we receive. The impact this can have on a family's budget and diet for the week is huge. This fresh food also supports our Youth programme and our Drop-in-Centre kitchen. Our kitchen volunteers have made jams, lemon curd and pestos all from Kaibosh produce. These are things we would not otherwise be able to provide and our guests get a real kick out of trying something new from our menu. Because of the principles Kaibosh operates by we are also mindful of our own waste, composting any produce we cannot save. What Kaibosh is supplying is more than just food, it is all about community values and generates a sense of pride that moves from Kaibosh to our staff to the families and individuals on our service."

Louise Mearns,
Foodbank / Volunteer Coordinator – Wellington City Mission

"Until you hear the figures you don't realise how much food is wasted. Food isn't cheap to begin with and there are a lot of people needing it, so Kaibosh definitely fills that gap."

Fraser Ebbett,
Manager – Harbourside Market
